IMPORTANT REGISTRATION INFORMATION

- Children who are four (4) years of age on or before December 31, 2022, are eligible to attend.
- Complete the [School Registration Form](#) which may be accessed in the Document Depot section of the SRCE website and send the form directly to the school via mail or email along with a copy of the child's birth certificate and provincial health card.
- In the SRCE, busing is available to all pre-primary children eligible to receive bus service. Please contact the SRCE Transportation Department staff at 902-747-3645 to determine your eligibility to receive bus service.
- This is a voluntary program and children may only attend for one year.
- There is no fee for the Program.
- The Program will run from September 2022 to June 2023.
- When there are available pre-primary spaces, families who live outside a school's catchment area may apply to have their child attend a Program out of catchment by submitting an [Application for Transfer of Students within the Region Request Form](#) located in the Document Depot of the SRCE website. Families must first register at their local school prior to submitting a transfer request. These spaces are limited and will only be considered when space is available and no additional staffing is required to accommodate the request.
 - In the event a child has been approved to attend a Program outside their family's catchment area, bus routes will not be altered.
