

SchoolsPlus Programs, Services and Supports Available to All Students and Families in the SRCE

We know these days are not easy as we continue to deal with the impacts of the COVID-19 global pandemic and other challenges in our lives as a result of recent events locally, provincially and internationally.

Please know we are all in this together and that there are resources and people available to provide help and support.

SchoolsPlus staff are available to support children, youth and families and help you access mental health supports as well as other resources and services you may need.

Please do not hesitate to contact a member of the SRCE SchoolsPlus teams as included below:
