To the Regional Executive Director of Education for the
Strait Regional Centre for Education

We have audited the accompanying schedule of salaries and expenses of members and employees of the [Strait Regional School Board](#) for the year ended [March 31, 2018](#), and a summary of significant accounting policies and other explanatory information (together “the schedule”). The schedule has been prepared using the financial reporting provisions of Section 65(1) of the *Education Act* and defined in Section 24(1) of the Ministerial Regulations to the *Education Act*.

Management's responsibility for the schedule

Management is responsible for the preparation and fair presentation of the schedule in accordance with Section 65(1) of the *Education Act* and defined in Section 24(1) of the Ministerial Regulations to the *Education Act*, and for such internal control as management determines is necessary to enable the preparation of the schedule that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School Board's preparation and fair presentation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Board's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of

accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the schedule presents fairly, in all material respects, the salaries and expenses of members and employees of the [Strait Regional School Board](#) for the year ended [March 31, 2018](#) in accordance with the financial reporting provisions of Section 65(1) of the *Education Act* and defined in Section 24(1) of the Ministerial Regulations to the *Education Act*.

Basis of accounting and restriction on distribution and use

Without modifying our opinion, we draw attention to Note 1 to the schedule, which describes the basis of accounting. The schedule is prepared to assist the [Strait Regional School Board](#) to meet the requirements of Section 65(1) of the *Education Act* and defined in Section 24(1) of the Ministerial Regulations to the *Education Act*. As a result, the schedule may not be suitable for another purpose. Our report is intended solely for the Regional Executive Director of Education for the Strait Regional Centre for Education and Nova Scotia Department of Education and Early Childhood Development and should not be used by parties other than the Regional Executive Director of Education for the Strait Regional Centre for Education and Nova Scotia Department of Education and Early Childhood Development.

Note to the schedule of salaries and expenses

March 31, 2018

1. Basis of presentation

The schedule of salaries and expenses has been prepared using the cash basis of accounting, in accordance with the requirements under Section 65(1) of the Education Act and defined in Section 24(1) of the Ministerial Regulations to the Education Act.
